

The access to **Aquanima's** site and the information related to any of its products and services contained on such site imply the acceptance of the conditions foreseen in the present Legal Notice. Therefore, we strongly recommend that you read it carefully in case you want to access and use the information and services offered on **Aquanima's** site.

The access to **Aquanima's** services is reserved to its registered clients. You can ask for further information at contacto@aquanima.com.

Validity of the information

The information contained on **Aquanima's** site is the one in force on the date of its last updating. **Aquanima** reserves the right to modify, at any moment, the presentation, content and configuration of such site, as well as the general access conditions and use of such information.

The User is obliged to use the contents and service of **Aquanima's** site in a legal, correct and lawful way. **Aquanima** shall not be held responsible for the wrong use of the contents and services of its site, being it of sole responsibility of the person who accesses and uses them.

The User will be held responsible for the damages and losses of any nature that **Aquanima** may suffer, be it directly or indirectly, as a consequence of the non fulfillment of any of the obligations deriving from the general conditions or from the law regarding the use of **Aquanima's** site.

Aquanima shall not hold any responsibility for the information contained in the sites of third parties that links or browsers from **Aquanima's** page may give access to. The presence of links in **Aquanima's** site has mere informative purposes and under no circumstances does it imply suggestion, invitation or recommendation of such sites.

Privacy policy and protection of data

Aquanima completely complies to the legislation in force regarding the protection of personal data and the confidentiality commitments typical of its activity.

Some of **Aquanima's** pages have cookies, which are small data files generated by the user's or client's computer that allow our systems to remember the user's navigation preferences. Such cookies are neither invasive nor harmful nor do they contain any kind of personal data. In case you want to, these cookies can be made inactive by clicking on the corresponding option on your browser. **Aquanima** informs that, in case the use of cookies is not active, navigation can become slower than usual or some of its tools can stop working properly.

Safe environment

Aquanima has adopted the necessary technical measures to keep the required security level according to the nature of the personal data handled and the circumstances of their use, with the objective of avoiding, as far as possible and always according with the technical possibilities, their alteration, loss, handling and non authorized access.

Intellectual and industrial property

The rights to intellectual property of the site's content, its graphic design and codes are a property of **Aquanima** and, therefore, its reproduction, distribution, public communication and alteration, are forbidden, unless expressly authorized by **Aquanima** in writing. All commercial names, brands or distinctive signs of any kind of content seen in **Aquanima's** site are also protected by law.

It is forbidden, unless when expressly authorized by **Aquanima**, to create links or hyperlinks from any third party's site or portal to **Aquanima's** site, as well as to display any of **Aquanima's** site content or information under another company's or entity's frame, distinctive sign, brand or social or commercial name.

Responsibilities

Aquanima does not grant continuous access, nor the correct visualization, download or use of the elements and information contained in **Aquanima's** site that can eventually be hindered, made difficult or interrupted due to facts and circumstances out of its control. **Aquanima** does not assume any responsibility for harms, losses, complaints or expenses resulting from: (i) interferences, interruptions, damages, omissions, telephone

breakdowns, delays, blockings or disconnections in the functioning of the electronic system caused by difficulties, overload and mistakes in the telecommunication lines and nets or due to any other cause that cannot be controlled by **Aqanima** (ii) illegitimate interference upon the use of harmful programs of any kind and through any means of communication, such as computer viruses or any other; (iii) inadequate or improper use of **Aqanima's site**; (v) security or navigation mistakes caused by malfunctioning of the internet browser or by its outdated versions.

Law of Services of the Society of Information (LSSI)

In the fulfillment of the required in article 10 of Law 34/2002 the following general information is here stated:
